

Additional opportunities

As you know, St Jerome sponsors a Saturday morning bingo at the Golden Tiara 3231 N Cicero Ave. As part of the scholarship/tuition assistance program we are again offering opportunities for families to reduce their tuition costs by registering for additional Saturday morning bingo sessions.

Parents of St Jerome students are required to commit to 2 Saturday morning bingos and 1 Tuesday evening bingo at school. Once you have fulfilled your requirement you are eligible to participate in the program and commit to additional Saturday morning bingos. Each additional Saturday morning bingo you work will reduce your tuition by **\$100**. Forms and additional information about this program are available on the school website stjeromeschool.net.
