

BINGO TUITION ASSISTANCE PROGRAM

As part of St. Jerome tuition assistance program we are again offering families of St Jerome students an opportunity to reduce their tuition costs by working additional Saturday morning bingo sessions at the Golden Tiara.

I have completed my 2010-11 commitment of three bingos, one at 2801 S Princeton and the other two at the Golden Tiara 3231 N Cicero and my 2010-11 tuition has been paid.

I would like to participate in the bingo tuition assistance portion of the program. I worked on the following dates to fulfill my 2010-11 commitment and the following dates to fulfill my 2011-12 commitment:

_____, _____, _____, _____, _____, _____

I understand that I will receive a \$100 credit toward my tuition for each additional bingo I work as long as my child continues to be a student at St Jerome.

I further understand that because I am scheduling additional bingos, if I don't show up, St. Jerome bingo at the Golden Tiara will be short handed for that day and I agree to accept a penalty of \$200 to be paid directly to the rectory no later than one week after the missed bingo.

Families will be contacted from a list of applicants approved by the Finance Committee. Families will be contacted with their assigned additional bingo dates.
